
Swimwear is now available to order through the Uniform Shop! As these are custom-made, especially for our school, minimum orders can only be taken by our suppliers. This means that the swimwear is BY ORDER ONLY/PRE-PAY system.

The swimwear is supplied to us by a Qld Company LEADA RACING SWIMWEAR. The swimwear is reputed to be of the highest quality, chlorine resistant lycra. They will be custom made in ITHACA colors (Maroon w. gold trim and lettering on backside). One-piece 'racer-back' for girls and 'speedo-style' swimmers for boys. Sizes are available to try on in the Uniform Shop.

Compulsory school swimming starts Term 4 and I would like to place a large order with LEADA by mid Term 3. This allows 4-6 weeks for manufacture and delivery to you by the start of Term 4. So place your order now. Please note that the swimmers are by order only, they will not be a carried line of stock by the Uniform shop. Our sunshirts (reminder that Education QLD have legislated sunshirts to be worn by ALL children), caps and bags are available for over-the-counter sales as usual. **Please make sure you order correctly as no refunds or exchanges possible.**
